

For the start of the year - 2022 ITOIGAWA CITY Waste & Recycle Guide

Notice

- Waste without separation will not be collected.
- Compound materials must be disassembled as much as you can.
- Waste put in a black bag or a carton will not be collected because we don't know what is inside.
- Prohibition by law is not collecting or selling the garbage. (If you have an information or witness this kind of movement please contact to us.)
